Subject: FW: Bullets on GAO report

Paul, we discussed preparing a few bullets (as FYI) for Sarah on the GAO report. Please see below.

Thanks, Rona, Jeremy

Forthcoming GAO Report: *Climate Change: Information on Potential Economic Effects Could Help Guide Federal Efforts to Reduce Fiscal Exposure (GAO-17-720)*

- GAO was asked by Senators Cantwell and Collins to review the potential economic effects of climate change and risks to the federal government. The forthcoming GAO report examines (1) methods used to estimate the potential economic effects of climate change in the United States, (2) what is known about these effects, and (3) the extent to which information about these effects could inform efforts to manage climate risks across the federal government.
